Grievance Procedure

A. Definition of a Grievance

A grievance is a claim by a teacher or the association based upon a claimed loss, injury or inconvenience as the result of an alleged violation, misinterpretation, or inequitable application of any existing district regulation, policy, or provision of this agreement, or administrative decision affecting a teacher's terms and conditions of employment.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise, affecting the welfare or working conditions of teachers. Both parties agree that these proceedings shall be kept informal and confidential.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may be extended by mutual agreement in writing.
2. In the event a grievance is filed on or after June 1, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party-in-interest, the time limits set forth here shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as is practicable.
3. Level One: Any teacher, or the association, who has a grievance shall first discuss it with his/her principal or immediate superior in an attempt to resolve the matter informally at that level.
4. Level Two: If as a result of the discussion at level one the matter is not resolved to the satisfaction of the teacher or association within five (5) school days after presentation of the grievance at level one, he/she shall set forth his/her grievance, in writing, to the principal specifying: the alleged violation, misinterpretation, or inequitable application, the date of occurrence, the relief sought. Copies shall be sent to the superintendent and the association. The principal shall communicate his/her decision to the teacher, superintendent of schools, and the association, in writing, within five (5) school days of receipt of the written grievance. A school day shall be defined as any day in which the school is officially in session.

5. Level Three: The teacher or association may, within five (5) school days after receiving the principal's decision, appeal the principal's decision to the superintendent of schools or his designee. The appeal to the superintendent must be made in writing and must set forth the grounds upon which the grievance is based. The superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed five (5) school days after receiving the appeal. The superintendent shall communicate his/her decision in writing, along with supporting reasons, to the teacher, the principal and the association.
6. Level Four: If the grievance is not settled to the satisfaction of the teacher after reaching the superintendent, the matter may be referred to the association for consideration. This referral for consideration must be made within five (5) school days. The association's grievance committee shall make a determination as soon as possible, but within a period not to exceed five (5) school days after referral, notifying the teacher and the superintendent in writing of that determination.

If the association determines that the grievance has, or may have, merit, it shall recommend that the grievance be heard by the board of education. If the association determines that the grievance is without merit, the teacher shall retain the right to appeal, in writing, to the board of education. The request, in either case, shall be submitted, in writing, within five (5) school days, through the superintendent of schools, who shall attach all related papers and forward the request to the board of education.

The board of education shall review the grievance and may, at its option, hold a hearing if a hearing has been requested. The board shall render a decision, in writing, within thirty (30) calendar days of receipt of the grievance.

7. Level Five: If the association is not satisfied with the disposition of the grievance by the board, the association may, within ten (10) school days after receiving the decision from the board, submit the grievance to arbitration by requesting a list of arbitrators from the American Arbitration Association. The parties shall then be bound by the rules and procedures of the AAA. The superintendent shall receive a copy of the demand for arbitration. The arbitrator so selected shall confer with representatives of the board and the association and hold hearings promptly. The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions for the issues submitted. The arbitrator shall be without power or authority to make a decision which violates the terms of this agreement. The arbitrator shall be without power to add to, delete from, or modify this agreement. He/she shall issue his/her decision no later than thirty (30) calendar days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statement and proofs are submitted. The decision shall be

submitted to the board, the association and the aggrieved, and shall be binding with respect to grievances involving the alleged violation, interpretation or inequitable application of the expressed provisions of the contract, and shall be advisory with respect to all other matters.

The cost for services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, shall be borne equally by the board and the association.

8. Failure to File: A grievance to be considered under this procedure must be initiated within thirty (30) school days of this occurrence or impact on the individual. Failure to file or advance a grievance within a specified time limit shall constitute a waiver of the grievance. Failure to respond to a grievance within the specified time limits shall permit the aggrieved to proceed to the next level.

D. Rights to Teachers to Representation

With respect to personal grievances, he/she shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal. The teacher shall have the right to present his/her own appeal or designate representatives of the association or another person of his/her own choosing to appear with him/her or for him/her at any step in his/her appeal. When an individual is not represented by the association, the association shall have the right to be present and informed at all stages of the grievance procedure.

E. Miscellaneous

1. Decisions rendered at levels two, three and four of the grievance procedure shall be in writing, setting forth the decision and the reasons for the decision.
2. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents, shall be prepared jointly by the superintendent and the association and given appropriate distribution by both parties so as to facilitate operation of the grievance procedure.
4. No teacher shall have the right to refuse to follow an administrative directive or a board policy on the grounds that he/she has instituted a grievance.
5. All certificated personnel including the grievant shall continue under the direction of the superintendent and administrator regardless

of the pendency of any grievance until such grievance is properly determined. Any case of violation shall be regarded as evidence of conduct unbecoming a teacher within the purview of the tenure of office act.

6. Any grievance supported by the association and not resolved to the satisfaction of the teacher or party-of-interest, after review by the board, may, at the written request of the association, be submitted to arbitration, as specified in section C 7 of this article, except in the case of a grievance involving any of the following points:
 - a. A method of review is prescribed by law or state board rule having the force and effect of law, or any regulation of the state commissioner of education, or any matter which, according to law, is either beyond the scope of board authority or limited to action of the board alone.
 - b. A complaint of a non-tenured teacher that arises by reason of his/her not being re-employed.
 - c. A complaint by any teacher occasioned by appointment to, retention in, or lack of retention in any position for which tenure is either not possible or not required.

Article VIIISalary Guides - Certificated Personnel

The board of education agrees that the salary guides attached hereto shall apply to all teachers within the unit covered by this agreement.

1. Eligibility requirements - salary classification
2. Teachers' salary guide - 1983-84, 1984-85, 1985-86
3. Extra-curricular salary guide - 1983-84, 1984-85, 1985-86
4. Athletic coaches' salary guide - 1983-84, 1984-85, 1985-86

Eligibility Requirements - Salary ClassificationA. Salary class

1. Bachelor's degree
2. Bachelor's degree plus 30 approved graduate credits, or bachelor's degree plus 24 approved graduate credits and 6 approved in-service credits.
3. Master's degree
4. Master's degree plus 30 approved graduate credits. Eight approved in-service credits may be applied in lieu of 8 graduate credits in moving from the master's level to the master's plus 30 level.

B. Qualifications for Advancement on the Salary Guides

1. No college courses will be accepted for credit to advance to the 5th, M.A., or M.A. plus 30 level on the teacher's salary guide unless these courses be of graduate standing.
2. Advancement to the M.A. plus 30 level will not be permitted unless a master's degree has previously been earned. In other words, teachers advanced to the M.A. plus 30 level must first earn a master's degree, and then present 30 graduate credits earned after receiving the M.A.
3. Courses for the purpose of satisfying teacher certification requirements may not be used for advancement to any level of the salary guide.
4. In-service credit for advancement to the 5th or M.A. plus 30 level on the salary guide may be approved by the superintendent of schools

if, in his/her opinion, the course, workshop or institute pertains to the subject matter field in which the teacher is certified, and if, in his/her opinion, the quality of the course, workshop or institute warrants such credit.

5. Credit for in-service workshops or institutes may be given upon the advanced approval of the superintendent of schools. The amount of credit given shall be determined in the same manner as is graduate work in a college:

12 hours - 1 credit
24 hours - 2 credits
36 hours - 3 credits

6. The superintendent of schools shall determine how many semester hours credit shall be awarded. Teachers shall request the superintendent for tentative approval and an evaluation of the amount of credit which will be awarded before enrolling in a course, workshop or institute.
7. Presentation of an official transcript or transcripts to the superintendent of schools for his/her evaluation and approval must be made before a teacher may qualify for advancement to the 5th, M.A., or M.A. plus 30 level.
8. Salary advances will be made at the usual contract time for the issuance of contracts to all teachers for the forthcoming year. Those teachers who have not submitted evidence by April 1 must submit full documentation prior to September 30 and will be advanced retroactive to September 1.
9. Teachers paid on an hourly basis will have their pay calculated on step #1 of their appropriate education level. Example: Step #1, MA, 1983-84 guide

$$\frac{\$16,200}{7 \times 185} = \text{hourly rate of pay}$$

All advisers employed for the 1983-84 school year will have their 1982-83 salary multiplied by 1.09, and if their salaries fall within the steps, they will be moved to the next higher step on the present guide. (For example, if the high school varsity cheerleader adviser had a salary of \$820 in 1982-83, then $1.09 \times 820 = \$894$, he/she would then be between steps #2 and #3 and would move to step #3 with a salary of \$918 for 1983-84.)
